Company Overview

Modular Nation, Inc., a Service Disabled Veteran Owned Small Business is a full turnkey provider of custom modular building solutions covering public, private and educational sectors. Throughout the Mid-Atlantic region, Modular Nation’s experienced staff provides personalized service to make sure every project is individually crafted to our customer’s specifications.

Each project has the attention of our Principals to ensure quality control from an operations and management standpoint. Our team takes the time to fully understand our client’s primary and secondary objectives. We work closely with each client to analyze both traditional and manufacturing alternatives to produce solutions that are sound from an installation perspective and cost-effective to meet budget requirements. We apply these focused steps with every project, regardless of scope, ranging from small construction trailers to large custom solutions exceeding 50,000 sf.
